74+ CABINET TYPES

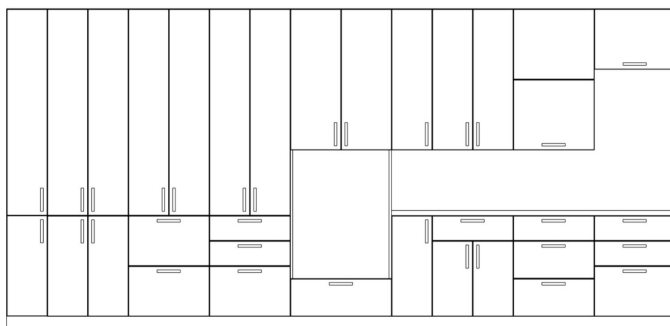

100's of sizes to choose from

ARDA

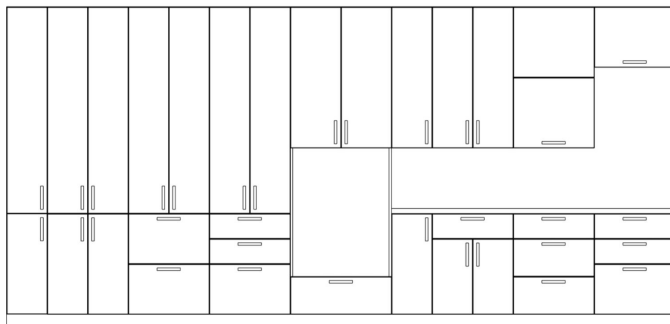

The Arda option is designed with **fronts that require handles** where you also have an option of handleless wall cabinets with the extended Pull option. Available in all cabinet options with modifications. Choose any finish from the Sleek or Textura collection.

ARDA QUICK

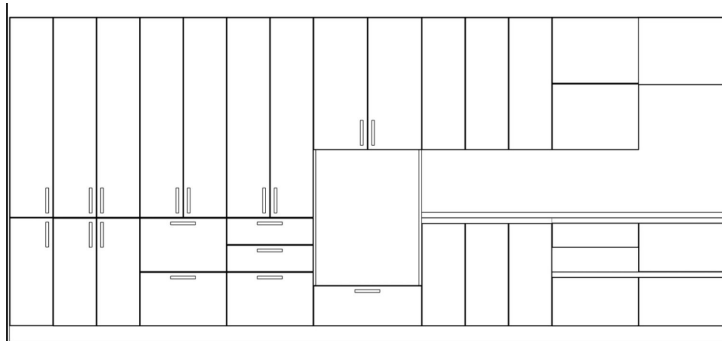

In a hurry? Save you 1-2 weeks with Arda Quick by limiting the cabinets options to easiest to produce cabinets and omitting modifications. Just like Arda, this line requires handles on the base but can be handleless on walls. Choose from Sleek or Textura finish.

SEGMENTO

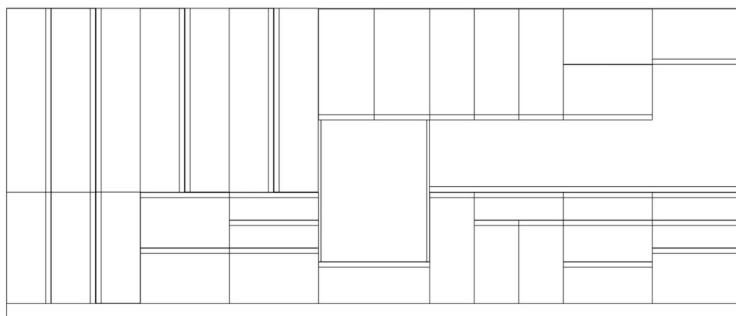

The fronts in the Segmento option are designed with a continuous metal channel groove on the base cabinets that allow you to open the cabinets. The wall cabinets are handleless with the extended Pull option. This means that the base and wall cabinets do not require handles. The tall options do require handles. Available in all cabinet options with modifications. Choose any finish from the Sleek or Textura collection.

CURVA

The fronts in the Curva option are designed with a molded 'J' shaped pull which means that the **cabinets do not require handles**. Available in all cabinet options with modifications. Choose from select finishes, only available in horizontal grain and pantry requires a handle unless in a solid color.

TEXTURA COLLECTION

The Textura Collection showcases textured fronts in a diverse and encompassing range of realistic, natural and organic feel designs. Choose from wood grain, concrete and leather, to marble, oxidized steel, and textiles.

Available in Arda and Segmento Options.

VERTICAL GRAIN OPTIONS

Segmento and Arda are designed and priced out as vertical grain. With this option horizontal toe-kicks. Please inquire about upgrading Segmento and Arda to horizontal. Not available in grain matching.

HORIZONTAL GRAIN OPTIONS

Curva is only available in horizontal grain orientation. Due to limitations in panel size and manufacturing Curva Pantries are only available in Vertical grain. Please inquire about alternatives to a vertical grain Curva pantry. Segmento and Arda can be upgraded to horizontal. Not available in grain matching.

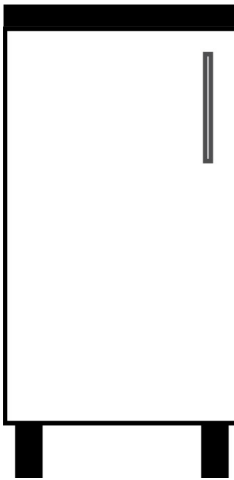

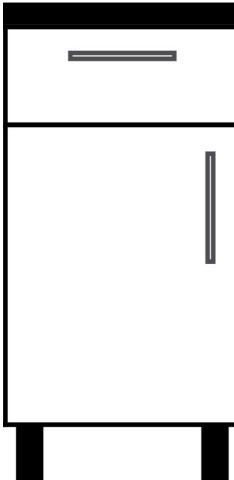

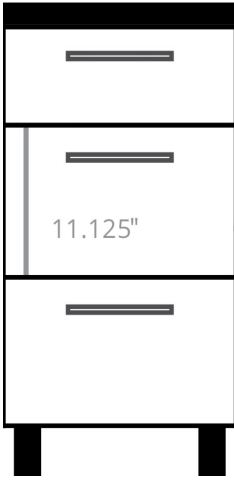

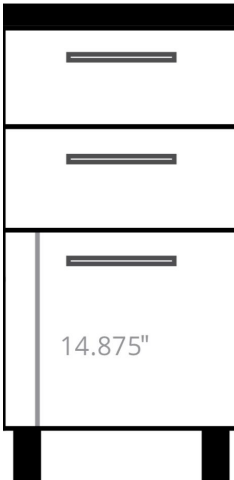

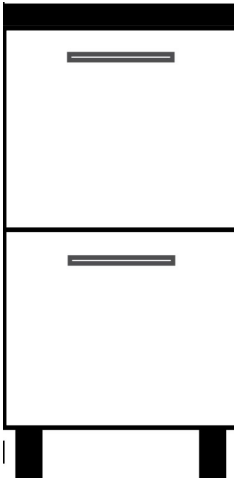

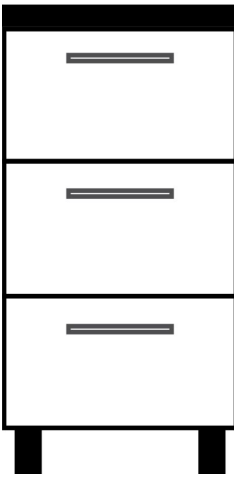

CATALOG OF CABINET OPTIONS

Start your layout using these 74 modern cabinet options. All options are available in Arda and Curva. Segmento uses the 'Pull' and 'Channel' options.

LET'S GET ALIGNED

Do you want to know the secret to Modern European cabinet? It's all about lines lining up! With so many options in our line up, we wanted to make it easy for you to stay aligned so we made it as easy as A B C.
